## **General Guidance**

If you feel your child may be nervous, shy, or anxious upon arrival please do contact me so I am aware. We are a welcoming and friendly team of staff and our activity provision is highly regarded. I am happy to discuss this further with you in advance of the course.

Parents need to please make children aware that listening and following instructions from Braeside staff is essential throughout the duration of the day. This is to ensure the safety of all children and staff. In the unlikely event of a situation where a child's behaviour causes concern or requires Braeside staff intervention/management we will contact you during the day, if necessary, however as a minimum we will discuss and explain any incidents with you when the child is collected. We work with children and young people from all backgrounds, and across the ability spectrum, therefore we are highly experienced in teaching/instructing carefully to ensure that children are engaged and motivated whilst having a great time in our care.
