Course details

Why do you learn maths? When do you need to use your mathematical skills outside the classroom? Pupils will experience a variety of learning activities to explore and extend their mathematical knowledge and understanding. They will take part in investigations applying their mathematics to the real-world. Pupils will need to explain their problem-solving skills and be able to record their methods.

Guidance criteria for identifying participants:

- Enjoyment of mathematics
- Good mathematicians
- An ability to work in groups and independently
- Show a curiosity of the world around them
- An ability to explain their problem-solving skills and record their methods

Course tutor

Hannah Crook is a primary school teacher in Salisbury with a particular interest and enthusiasm for mathematics.
