

Year 5/6 pupils – Christmas Maths

Date of course	Times	Venue	Cost	Max. places	Subject
Saturday 30 th November 2024	9.00am – 3.00pm	Braeside Education Centre	£60	18	Numeracy AGAT

Course details

Come along for a day of Maths inspired by Christmas! Pupils will experience a variety of learning activities to challenge and extend their mathematical problem-solving skills. They will investigate maths in various Christmas contexts and take part in practical problem-solving activities. Children will work independently as well as working in groups to solve puzzles and problems using number and geometry.

Guidance criteria for identifying participants:

- Enjoyment of mathematics
- Good mathematicians
- An ability to work in groups and independently
- Show a curiosity of the world around them
- An ability to explain their problem-solving skills and record their methods.

Course Tutor

Hannah Crook is a primary school teacher in Salisbury with a particular interest and enthusiasm for mathematics. She is keen for children broaden and apply their mathematical skills in a variety of situations where they are challenged and need to do some 'deep-sea' thinking. Hannah completed the MaST (Mathematics Specialist Teaching Programme) with the University of Winchester and she has a MA in Learning and Knowledge Technology from Bath Spa University.

As a result on attending the course you will have:

- Enjoyed yourself!
- Enriched your knowledge of mathematics
- Developed your problems solving skills
- Developed your ability to explain methods and strategies used

What you will take away with you:

- New knowledge and methods of thinking
- A certificate of attendance

Students should bring:

- Pen/Pencil
- Notepad
- Water bottle
- Coat
- Suitable clothing for outdoor breaks

Lunch & refreshments are provided.

School uniform is not required. No mobile phones.
